Sharing Knowledge Since 1988

February 23, 2010

Dear Sarah,

The 21st PAHCOM Annual Conference is past us and I want to personally thank you for helping to make it a huge success. Your session “Red Flag Rules & Critical Updates” was inspiring and comforting to the members that rely on you to provide accurate and thoughtful advice on how to handle the current challenges in health care.

Your depth of knowledge and presentation skills are first-rate. PAHCOM members are truly impressed with your ability to understand and respond to their practice problems. I have lost count of the number of times you have been a favored speaker at our annual conferences. It is either six or seven. Every year the members delight in your presentations and express their desire that we bring you back next year, and the next year, and the next year!

We hope that you will be available to fill future speaker slots and continue to bring valuable information and guidance to our members. Thank you so very much for contributing to the excellence of PAHCOM.

Respectfully yours,

Richard Blanchette
